Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

I am writing to enclose you our line-up for the road, and tell you the publicity man will send you some mats directly. If you must have pictures, I will try to get some. Will be glad to do so, if it will help any.

I would appreciate if you could send me dates for our trip, and tell me who to write to about reservations for the team.

Very truly yours,
